August 2017

It's been a year since I began serving the Upper St. Croix Parish. When I first came to Chicago from Seoul, South Korea in 2012 to study Theology, I never imagined that I would be a pastor in the States and serve in Wisconsin. Also, last year in July, when I started ministry here, I never imagined that I would be a mother. As I look back at my years past, not many things happened as I had planned. I just walked through the doors that God led me toward and opened for me. Some doors were very easy and exciting to go through, but some were very hard and tough. However, since I trust in God and God's plan, I just walk through following God's guidance.

ONE YEAR
AND
COUNTING

When my bishop appointed me to serve the Upper St. Croix Parish, I was so worried because there was nothing familiar for me. I did not even know where St. Croix Falls was. But I followed and obeyed God faithfully. Now, one year later, I have fallen in love with my four churches - Central, Atlas, St. Croix Falls, and Wolf Creek - and all the nice people. This is the reason why I have no choice but to love God and trust in God's plan. Although I took my step without knowing where I was going, eventually God led me to be in the best place. Therefore I am expecting God's work every single day in hope.

Sometimes, you may feel like you are walking in a dark tunnel without knowing where are you going or where it ends. However, as you keep going, trust in God and you will see the brightest light in the end, which God prepares for you. Don't lose your hope and stay in faith. And remember, God never has given you up. God's steadfast love is forever!

Blessings,

Pastor Ran Yoo

A STEWARDSHIP MESSAGE

GIVING

The Righteous Will Live by Faith
August 2017

"For, as I can testify, they voluntarily gave according to their means, and even beyond their means" (2 Corinthians 8:3)

Paul wanted the church in the wealthy trading center of Corinth to give generously to his mission to Jerusalem. To encourage them he noted how freely the churches in poorer Macedonia had already given.

So, how were the Macedonians able to give "beyond their means?" How is that even possible? It is possible because if we have faith, then God will provide. If we have faith, we can give even more than we might think we are able.

In their book, *The 33 Laws of Stewardship*, Dave Sutherland and Kirk Nowery point out three ways we can live into this kind of faith. The first is to **get rid of a scarcity mindset**. We have more than enough already on hand to pay for all our hoped for mission and ministry! But if we need to, we can in faith call on God for as much as we need.

Second, "when you think about giving, and specifically when you make a commitment to give, **don't focus on your limitations, but on [God's] limitlessness.**" How much faith does it take to believe that God can do more than we can? Why trust in yourself, when you can trust in God?

Finally, **extend the limits of your spiritual comfort zone**. We are here to assist the Holy Spirit in establishing the Kingdom of God. Business as usual won't do the job. Can we be like the Christians in Macedonia who gave beyond their means? And not just *giving* beyond our means. How about—in faith and with God's help—*praying* beyond our means, *engaging* with church and community beyond our means, *ministering* to the least and the lost beyond our means, and *testifying* in thought, word and deed to God's meaning in our lives beyond our means.

We are called to be stewards of the abundant Grace we have been given through Jesus Christ.

Central UMC's Capital Fund and Equipment Replacement Fund

WHAT'S THE DIFFERENCE?

At Central we have had both a Capital Fund (CF) and the Equipment Replacement Fund (ERF) since 2013 when the ERF was established. These funds give members who wish to contribute towards future capital needs, a choice where to designate their contributions. General property maintenance is budgeted for on an annual basis.

Essentially, the CF has been around for years to provide funds for specific capital projects such as building additions or the purchase of furniture or other long-term assets. In many cases a specific Capital Fund Drive has been established for those purposes over the years.

The ERF was established to provide a source of funds to meet emergency capital needs to replace items that may wear out or become damaged such as a furnace or a major appliance. Donations to this fund are conservatively invested, until needed, with the Wisconsin Conference UMC to insure their availability when needed. Financial support into the ERF acts to insure funds are available to keep Central's equipment in good operating order.

A MESSAGE FROM THE SALVATION ARMY....

We are sure at this point you are feeling a little overwhelmed with our pleas for help in bell ringing. Thank you so much to those of you who are helping by volunteering your time! It is so needed. CALEB'S BABY SHOWER HIGHLIGHTS

There was a full house for Caleb's baby shower on July 15th! Thank you to all who worked hard to make this is wonderful celebration for the pastor's and their family!

Caleb was on his best behavior and it was great to see Pastor Ran looking so well. We were also fortunate enough to meet Pastor Ran's mother, who looks young enough to be her sister!

There were many fabulous salads and dishes to enjoy along with all the amazing gifts from handmade sweaters, blankets and scrap books, to diapers and highchairs.

What a blessed day it was!

VBS CAMP 2017

UPPER ST. CROIX PARISH VACATION BIBLE CAMP

Starts on Tuesday, August 8 at 2pm
Ends on Thursday, August 10th at 11am

Vacation Bible School is returning to Lake 26 camp near Danbury WI and will be an overnight camp for all ages. There will be bible study, crafts, activities for kids and adults, free time, swimming, kayaking, fellowship, worship, music and food! *Our theme is "God's Work of Art" and we will study and discuss how we were created and designed by God for his purposes.*

ALL ARE WELCOME FROM THE ENTIRE UPPER ST. CROIX PARISH

Children going into grade 3 and older may come without a parent/guardian. Children grades 2 and younger must have a parent/guardian with them overnight (you may make arrangements with other adults attending camp to be responsible for your child if you cannot be there—kids attending without a parent must be able to take care of their own needs). We encourage adults to attend camp and enjoy fun and fellowship with your church family. There is no charge for the camp, each church will pay their share of the expenses based on attendance of the camp. Friends are welcome!

If you are not able to come for the whole time, please feel free to join us when you can. Lake 26 camp is about 45 minutes from Grantsburg, just east of Danbury, WI. The lake is good for fishing, and adults do not need to be present the whole time. Also, we are looking for kayaks and other watercraft to borrow for the campers to use.

Registration forms were mailed to all UPSC families with children and are also available at each church. Please complete the forms and return to the church office or to Kim Wheeler directly. If you would be willing to take charge of a craft or activity, please indicate on the form. VBS Leaders are invited to come to camp a day early to prepare (and have some adult fellowship time by the campfire). Questions can be directed to Kim Wheeler at 715-431-1857 (call or text) or email kim-wheeler70@yahoo.com. Thanks!
