December 2017

“Rejoice with those who rejoice, weep with those who weep.” - Romans 12:15

Dr. Richard C. Halverson (1916-1995), chaplain to the U.S. Senate, was credited in 1984 for a speech before the General Assembly of the Presbyterian Church:

“In the beginning the church was a **fellowship of men and women centering on the living Christ**. Then the church moved to Greece, where it became a **philosophy**. Then it moved to Rome, where it became an **institution**. Next it moved to Europe where it became a **culture**, and, finally, it moved to America where it became an **enterprise**.”

While I was reading a news article, this quote struck my mind. And it made me think about what does our church look like? Does it look like fellowship or philosophy or institution or culture or enterprise? I think this not only shows the regional differences, but also shows different understandings of the church today. Some people think church is one of social meetings, so they come to church to meet many people. Some people think church is a place, helping people to experience some milestones in life, such as baptism, confirmation, wedding, and funeral, so they want church to provide some service according to their needs. Some people think church is a volunteer agency, so they ask for some help from the church. Some people think church is a family home, so they grow in church and live within the church.

As one of the people who loves church, my sincere hope for our churches is to restore the former image of the church, which is of a fellowship of people centering on the living Christ. When church lost its first image, it became just a building for a particular function. However, as we sing “I am the church! You are the church! We are the church together! All who follow Jesus, all around the world! Yes, we are the church together,” the church is not a building but a people.

Then how can we restore our church to its original image – a fellowship of people centering on the living Christ? ***“Rejoice with those who rejoice, weep with those who weep.”*** As we live together following the love of Christ Jesus by sharing our moments of life, yes! Surely we can restore our first image.

As I look back at this year, I am so grateful to God for our 4 churches. Especially, since we had many funerals this year. Losing a loved one is very difficult, bringing lots of tears, but as one body of Christ, all congregations took care of the deceased’s family and were committed to working together for the funeral service. Furthermore, this year we added 4 new babies in our parish. All congregations welcomed our new brothers and sisters in Christ with love and smiling faces. In addition, countless joys and concerns were shared in the church during the year. On all such occasions, we rejoiced together and we wept together, and most importantly we prayed altogether.

It is such an honor to serve God together with you. It is such a joy to be the church together with you. My best reason for Thanksgiving this year is you, our church! Thank you for being my church family and being church together with me. Let us keep trying to do our best to rebuild our church to be a true fellowship of people centering on the living Christ together.

Blessings, Pastor Ran Yoo

A STEWARDSHIP MESSAGE

GIVING
God At Work!
December 2017

... for it is God who works in you to will and to act in order to fulfill his good purpose. (Philippians 2:13)

How we invite God to work in us is to become increasingly more like Christ in the process called discipleship. Its aim is to have the same mindset as Christ Jesus, but this usually comes in stages of commitment whether it be prayer, presence, service, witness, or giving.

There are four stages of giving.

In **Stage 1**, people spend on themselves and then to give to God from what is left over. They usually give little or nothing. They are not ready to commit.

In **Stage 2**, people take responsibility and wonder what equal shares of the goal (e.g., church budget) are. Of course, this fails to recognize that households have different levels of resources. People at this stage are ready to give regularly and many of them pledge.

In **Stage 3**, people want to put God first in their lives, even if they must change spending habits and attitudes toward having things. They understand that an offering to God is intended to be a sacrifice. They look to move toward tithing, giving ten percent of their income to God, by increasing the percentage of income they give each year.

In **Stage 4**, people want to make disciples of Jesus Christ for the transformation of the world. They see even what they spend on their own needs to be support for their discipleship. Often, their giving to church exceeds the 10 percent tithing mark.

Where are you in your discipleship journey? Is this the year, you make a change? Let's pray for one another as we grow together.

THE CHRISTMAS STORE

Saturday, December 9, 8-10:00 am at Central Church

The Christmas Store was started 48 years ago by two women from Central Church. Throughout the year, they worked hard to find good, reusable toys at rummage sales. Then they would clean them up, make repairs here and there, craft new doll clothes and give them away to children in need in our community.

That tradition continues today, but instead of looking for good used toys, AND because of the generosity of businesses, organizations, individuals and churches in Grantsburg, we are now financially able to purchase a NEW toy for each family who registers to "shop" at the Christmas Store. We have always called it a "store" ~ but everything is free! In addition to toys, each family receives a ham and other fixings for their Christmas dinner.

If you'd like to make a donation to the Christmas Store, make a check payable to The Christmas Store and place it in the offering plate OR send your donation to Janelle Smestad @ 23098 Smestad Rd., Grantsburg OR bring socks, hats, mittens, scarves ... anything warm and put it in the SOX BOX in our sanctuary. Thanks for caring!
