“A Safe Zone for Our Lovely Kids”

“¹³ People were bringing little children to him in order that he might touch them; and the disciples spoke sternly to them. ¹⁴ But when Jesus saw this, he was indignant and said to them, “Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. ¹⁵ Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.” ¹⁶ And he took them up in his arms, laid his hands on them, and blessed them” (Mark 10:13-16).

Since I was appointed at Upper St. Croix Parish United Methodist Church, I was impressed with the church buildings, long histories of each church, the passionate interest in ministry, compassion for the mission, and authentic love to God’s ministry. Our parish might be a great model for the church of God. However, I felt that there is a lack of something for the next generation.

For the first two months, I encouraged the congregation to bring children and grandchildren to the church for the future. One day, after service, one member came to my office, and then she talked to me, “I know we have to bring our kids, but I don’t know how to bring our kids.” I smiled at her and said to her, “tell your kids, ‘let us go to the church and have fun.’ Your goal is to bring them to the church. And then, our task is to make them have a fun time at church. If they think of the church as a fun place, it is good enough. Teachers make them enjoy their time at church. Just bring them to have fun.” She left my office without any comments at that time.

A few days later, our parish hired a youth director and began leading the GoFish program. The GoFish program is a Wednesday program of 1st grade to 6th grade. They learn to praise God, Bible lessons, do fun crafts, and play games through the program. The goal of the GoFish program is to guide kids to learn about God through fun times and make them the disciples of Jesus Christ smoothly. The member, who has come to my office, brought her grandkid to the GoFish program every time we they met, except once when her grandchild had the flu.

Whenever we had the GoFish program, I observe how much they enjoy, and how often they laugh out loudly, instead of what they do. Our parish youth director leads them well. They run here and there at the church and play a game of hiding and finding during break time. Looking at them, I give thanks to God for our church and that we have space for our lovely kids. Furthermore, I think of our church as a safe zone for them.

Therefore, we made “safe sanctuary policies,” receiving support from the Wisconsin Conference of the United Methodist Church. Youth director Shayna Schmid and I have discussed with a recommendation of the Wisconsin Conference and adjusted the policies to fit to our parish. The safe sanctuary policies have approved by each church’s administrative council committee and Staff/Parish Related Committee (SPRC) and emailed them out to all congregation and announced to congregation in Sunday Service as well. We are on processing to receive agreements and signature to make a safe zone for our lovely kids from parents of the kids and congregation.

We experience dynamics and vitalizing in the church through our kids. One day, Youth Group leads the Wednesday service, and adults support them through the fundraising spaghetti dinner and prayers. Youth group is growing in faith through the confirmation class and activities. We have a dream for the church, in which all generations would be together.

CONTINUED ON NEXT PAGE...

FROM THE PASTOR CONTINUED...

We should bring children to the church so that the church is blessed, and they also are blessed by God. In the Gospel of Mark, people would bring their children to the Lord Jesus Christ so that the Lord's touch might bless them. However, the disciples did not like children to come to the Lord because they thought that children bothered the Lord for his mission. So, the disciples rebuked the people who brought their children to the Lord. When Jesus saw them, he was indignant and said to them, "Let the little children come to me, and do not stop them," because the kin(g)dom of God belongs to them. In other words, no children mean that there would not be the kin(g)dom of God.

Today, some people may think like the disciples of Jesus that children cannot help the church. Instead, it just costs a lot for children's ministry. However, do not forget that children are the church's future. Without children, our church does not have a future. The mission for children is the most important in the church. If we cannot have children in the church, the church may disappear because of the children who grew up without knowing the church.

Now, it is time to bring our lovely kids to the church, where it is the safe zone in our Lord Jesus Christ. Let them be blessed by our Lord Jesus Christ and learn Jesus' love through us in the safe zone.

Blessings,

Pastor Jenny

GOFISH PROGRAM FOR CHILDREN

YOUTH GROUP SPAGHETTI DINNER

GIVING

When Propensity meets Capacity

March 2020

To give away money is an easy matter and within anyone's power, but to decide to whom to give it, how much to give, when to give, and to give for the right motive and in the right way, is neither in everyone's power nor an easy matter. Hence, it is that such excellence is rare, praiseworthy, and noble.
Aristotle, Nicomachean Ethics, Book II, Chapter 9

Recently a church asked me to help determine their congregation's capacity for giving. Here is my simple answer: any congregation's capacity to give is at least 10% (the tithe) of its annual income.

I usually estimate a church's congregation-wide annual income as the median income within a 5-mile radius of the church times the number of giving units in the church. (So that I do not inadvertently overestimate congregational income, I usually work with 90 percent of this number.)

Ten percent of total congregational income is the tithe and is our best scripturally based estimate of congregational capacity to give. God proposed the tithe as a target for giving to support the church with other charitable giving to be over and above that amount. (Our denomination's stance is that "tithing is the minimum goal of giving" (Book of Discipline ¶630.5e) and "God's standard of giving" (¶304.1c)).

In Wisconsin, our actual giving averages 2.9%. We are spending much of God's share on ourselves. How much could our churches accomplish if we tithed and had more than three times as much in giving?

In my talks with United Methodists around the state, I hear a lot of anxiety about the state of our churches, often because they are experiencing budget shortfalls. What they often propose is cutting more costs or getting new people to pay for the church.

Yet, we could reverse the trajectory of United Methodism by simply giving what God has asked us to give. That is the revitalization we need.

Different Storms, Same Jesus

And when he got into the boat, his disciples followed him. A gale arose on the lake, so great that the boat was being swamped by the waves; but he was asleep. And they went and woke him up, saying, 'Lord, save us! We are perishing!' And he said to them, 'Why are you afraid, you of little faith?' Then he got up and rebuked the winds and the sea; and there was a dead calm. They were amazed, saying, 'What sort of man is this, that even the winds and the sea obey him?' Matthew 8:23-27

Our world, our culture, our church – so many sources of anxiety, discomfort, fear and anger. Truly, people of faith have rarely been more tested than today. Yet, this is what it means to be a people of faith – to stand fast in the conviction that God is in charge, and “even the winds and the sea obey him!” We may not like what we see with our eyes, but in our hearts the Spirit of the living God prevails. We may shake our fists in outrage at the injustices, personal or shared, but the Prince of Peace abides. We may worry about our own future, the future of our church, the future of our country, or the future of our world, but the grace of the Redeemer has the final word.

Would Jesus address us as “you of little faith,” or as faithful disciples living in the power and assurance of gospel truth? I wonder. I hope it would be the latter, but I sense for many it would be the first. We seem to be in a place of reactivity where we walk more by sight than by faith. This is not meant as criticism or judgment, but as observation. We are making huge decisions with lasting implications from a place of anxiety, division, and uncertainty, instead of a firm faith foundation.

So, what can we do?

First, let us take our eyes off the storms and turn them back toward Jesus. Let us pray. Let us immerse our emotions, reactions, energies, and passions in prayer. Let us pray with and for each other, not *about* each other. Let us actively look for the Jesus in every other human being, especially those with whom we disagree.

Second, let us refocus on our baptism, our connection, and our call. Let us give the greatest measure of our energy to doing all the good we can. The elegant symmetry to doing all the good we can is that it leaves us no time to do harm. There is no limit to the good we can do, only so long as we cease to engage in harm-producing behaviors.

SOUL FOOD CONTINUED ON NEXT PAGE...

SOUL FOOD CONTINUED...

Third, let us work hard for the future in which we want to live. We may never become “one with Christ, one with each other, and one in ministry to all the world,” as our Communion liturgy calls us to pray, but we can continue to align our discipleship and commitment to the transformation of the world. Virtually no one believes the world we have is the best of all possible worlds. We know we can be better. We know we can be more loving. We know we can be more caring. We know that the world will not change if everyone demands their own way puts their own needs above those of others. Wanting to be better is not enough; taking steps to continuously become more Christlike is a full-time pursuit.

Last, let us simply be kind – kind to ourselves, kind to each other, kind to the stranger, and kind to our opponents. If we should find a way as The United Methodist Church, let us be kind in our differences. If we are to separate, let us be kind in our parting. No matter what, my beloved, beautiful Wisconsin siblings, let us be kind as our basic witness to the world of the love and grace of God. We will face many more storms, but let us do so in the assurance that the Christ is with us.

Grace and Peace, Bishop Hee-Soo Jung

WHAT IS LENT? - A Time Set Aside to Honor the Sacrifices of Jesus: Just as we set aside time to spiritually prepare for Christmas Day, it makes sense to set aside time to prepare for the two most important days of the Christian year. Lent is a time that offers us an opportunity to come to terms with the human condition we may spend the rest of the year running from and it brings our need for a Savior to the forefront. Like Advent, Lent is a time to open the doors of our hearts a little wider and understand our Lord a little deeper, so that when Good Friday and eventually Easter comes, it is not just another day at church but an opportunity to receive the overflowing of graces God has to offer.

The History of Lent- So where does Lent come from, and how do we "do" Lent? The Lenten season developed as part of the historical Christian calendar and is typically celebrated by Catholics and some mainline Protestant churches that follow a liturgical calendar. Although its format has varied throughout the centuries and throughout different cultures, the basic concept remains the same: to open our hearts to God's refining grace through prayer, confession, fasting, and almsgiving as we anticipate Holy Week. Lent traditionally lasts forty days, modeled after Christ's forty-day fast in the desert, and ends on Good Friday. In the Western Church, Lent officially begins with a reminder of our mortality on Ash Wednesday.

WHEN DOES IT START: Lent in 2020: The Lenten season begins with Ash Wednesday on February 26, 2020; if you are following the 40 days tradition, Lent ends on Holy Saturday, April 11, 2020.

GRANTSBURG: MISSIONS & MEETINGS

UMW UPDATE....

Thank you to a the women who came and helped with cleaning the kitchen during the morning of February 12th. You could tell we got into some "deep" cleaning by the state of the kitchen when the pastor first saw it. She said, "it looks like a tornado hit!" By the time we all left in the afternoon, all was clean and back into place—ready for the youth and their leaders to prepare a wonderful spaghetti dinner.

Thank you to all those who attended the meeting in the afternoon. We accomplished a lot. We are beginning to think about the "power of prayer" in our daily lives. We are on track to continue as a Mission Today Unit and for Five Star giving. We have a committee of three; Judy Lien, Paulie Kratchmer and LuAnne Martell who will come back to the unit with a proposal for providing funeral lunches in the future—menus and pricing. Please, all church family, share your ideas with them. There will again be a UMW Christmas sale after Thanksgiving.

Our next meeting will be April 8th, at 1pm at church. We hope to have a speaker on the subject of "Prayer". Our hostess will be Linda Hokanson. All women of the Upper St. Croix Parish are welcome!

MISSIONS UPDATE

In March we will continue to focus on our new mission project. The Rev. Christine (Young Seon) Kim, the director of Next Generation Ministries in Tanzania, has requested financial help for the construction of the Global Mission Secondary School (ages 12-18 yrs). Do to the distances students must travel this will be a boarding school and the construction of dormitories is essential. In addition the construction of housing for teachers and volunteer missionaries will be needed. Tanzania's school system is catered towards the wealthy. Less than 30 percent of students achieve secondary education, and the language barrier between primary and secondary education is much of the issue. The language of education for primary school is Kiswahili while the language of secondary school is English. Please see the March

We started Wednesday Night services on January 8th at Central UMC. The hope of the worship committee is that this will make it easier for families with children, as Wednesday is reserved for church events in the Grantsburg School District. We will try this as a congregation for 4 months and see how it works. The members of the worship committee welcome all feed-back.

Upcoming Dates: March 11

Note: There will be no Service the Sunday following these dates at Central.

Life sometimes can be
overwhelming! We read or
watch on the news and see
communities overwhelmed by
natural disaster. We hear about
humanitarian crises arising from
civil unrest and war. We know

that famine and drought are caused by climate change and
see in our own community signs of food insecurity. And, of
course, when we are also in the midst of our own suffering, it
is hard to see beyond our own needs to help someone else.
It can seem like too much. How could we possibly make a
difference? How can our limited resources make a dent in the
seemingly never-ending need of the world? We begin to shut
out the reminders of suffering. We become blind. We willfully
ignore the great needs of our siblings in Christ. But the reality
is that as followers of Jesus Christ, we are called to respond
with extravagant grace. Just as Jesus invited the disciples
into the work saying, "We must do the works of him who sent
me." Through the United Methodist Committee on Relief
(UMCOR), we can make a difference in the lives of
communities and individuals whose lives have been upended
by storms, wars, climate change, and displacement. Through
UMCOR, we see the impact of extravagant grace through the
generosity of United Methodists.
