A STEWARDSHIP MESSAGE

Your Ministry Story ~ July 2021

Ephesians 3:20 "Now to God who is able to do immeasurably more than all we ask or imagine, according to God's power that is at work within us."

I took my kids fishing for the first-time last month. You can imagine the excitement of 5-year-olds with a fishing rod! Besides fishing, they had fun throwing things into the lake. They enjoyed seeing how far they could throw sticks and rocks and see the ripples they create. That was a great teaching moment. "Do you know your words and actions are like these sticks? You do one thing, but it has a reaction much larger."

There is a church in our conference that received an estate gift in the mid-1990s for youth. The gift was \$5,000 and was invested here at the Wisconsin United Methodist Foundation. That gift has grown and continued to be used for ministry. In the last 25 years, over \$6,500 has been used for youth ministry! There is still almost \$7,000 in that fund today!

Isn't it wonderful what a modest gift can do for the ministry of a church even after we have died! Isn't it wonderful how one gift can affect youth for years! Isn't it wonderful that one gift is a much larger action than the original giver could have ever known?

How are you giving to the church with your time, talents, and treasures? What ripple affect will it have now and in the future?

Pastor Jenny Lee, Ph.D.

“So, What’s Your Status, Pastor?”

While they were worshiping the Lord and fasting, the Holy Spirit said, “Set apart for me Barnabas and Saul for the work to which I have called them.” Then after fasting and praying, they laid their hands on them and sent them off. (Acts 13:2-3)

Last week, we had the 2021 Wisconsin Annual Conference of the United Methodist Church. It was a hybrid of pre-recorded and live-webinars due to the COVID-19 pandemic. Compared to last year, it is getting closer to normal. While we only had a one-day webinar for the Conference last year, the Conference this year was held over a couple of weeks, including the pre-recorded and live webinars. I was busy participating in both webinars as a provisional elder of the Wisconsin Conference of the United Methodist Church. I was so pleased to be a part of it. It took such a long time for me to become a provisional elder of the United Methodist Church.

With my mother’s last wish and my response to God’s call, I studied theology for ten years since I came to the United States. There are many reasons it took me so long to be a provisional elder. One of the reasons is that I couldn’t identify my calling to God, whether teaching in a seminary or ministry in a church, going back to my home country Korea, or staying in the United States. God of patience waited for me to identify my calling and decision to minister in a church in the United States. I believe that God waits until we notice God’s calling and respond to him because God gives us freedom (free will) to accept God’s grace or not. God’s grace and love are given to everyone who accepts God. However, the final decision is our duty, and the responsibility of the decision is also our choice.

I went to Sun Prairie the day before the service and stayed in a hotel. My friend also reserved a hotel room because she was coming from Chicago. For the pre-recorded sessions, each candidate of ordination and commissioning was allowed only two guests. I invited my friend and her husband. However, on my way to Sun Prairie, I got a phone call from my friend that she couldn’t make it because her husband had a minor heart attack and went to the emergency room. I felt God wanted me to pray every moment. My friend worried about me being alone, and she couldn’t make it because she was worried about her husband. I stopped driving and pulled into the rest area off the highway and prayed for my friend and husband. As I was about to drive again toward Sun Prairie, one of my colleagues called me, wondering how I was doing and asked whom I invited. I told her the whole story about my friend whose husband had a minor heart attack. When I arrived at the hotel, I got many texts from my colleagues and friends, sending their prayers for my friend and her husband. And, I heard that her husband’s surgery went well, and he was recovering comfortably. While I went down to Sun Prairie, it took many hours, and I had many stories to think about like my life story. One of my colleagues, who called me on my way, and asked many to pray together, came to the service to support me. She said, “I want you to know you are not alone. Remember, someone always prays for you.” I said, “Yes, I know. I never think I am alone since I believe in God.” I experienced once again that prayers have power, especially when we pray together in Jesus’ name, it’s very powerful.

FROM THE PASTOR CONTINUED...

After pre-recording the ordination and commissioning service, I sent my family members in Korea a short video clip, where I was receiving my commissioning. I could talk with my family members via video phone. We were happy to talk about my life journey and my mother and father. I appreciate all who supported and prayed for my long journey. Last week, our parish's Wisconsin annual members-Barb Loomis, Sue Olson, and Karen Sciacca, gathered together in Grantsburg to participate in the Webinar of the 2021 Annual Conference. It took two days. We had such a nice time together. The last session was the service of ordination and commissioning, which was pre-recorded in Sun Prairie. After all sessions were done, they said to me, "Congratulations, Pastor Jenny." And Sue said, "Pastor Jenny, I have a question for you. So, what's your status now?" I said, "Well, I'm a provisional elder." To be an official elder of the Wisconsin Conference of the United Methodist Church, it may take me about three more years. However, I trust that God, who lead me this far, will guide me to be there. I am growing and evolving every day. Thank you all for your support and prayers.

Blessings,

Pastor Jenny Lee

"The Joy of Annual Conference"

"Am I hearing you right, Bishop Jung? The joy of Annual Conference?"

Yes, my beloved siblings in Christ, Annual Conference is a time for joy. Certainly, we must deal with the business of the Conference, and there are various limitations and concessions we make in the virtual format, but at the deepest level, Annual Conference is the gathering of a beloved covenant community of laity and clergy who love God, love the church, and work together to honor and glorify God through vital mission and ministry. We do not always agree on everything, and we may have conflicted feelings about the future of the church, but we are a body of baptized Christian stewards who are excited about "making disciples of Jesus Christ for the transformation of the world."

For decades, Annual Conference began with the singing of "And Are We Yet Alive," and the response on the part of all the leaders of our church was a resounding "yes." By God's grace, we are the witness to the world of God's unconditional love and enduring hope. Annual Conference has always been intended as prayerful and worshipful work, holy Christian Conference, and celebration of the manifold blessings of God. This is still the joy of Annual Conference I wish to lift up.

Our worship is the centerpiece of our time together. From opening worship through our Memorial Service – honoring the laity and clergy who have passed away since our last time together – to our Service of Ordination and Commissioning – which confers God's blessing on the specialized ministries of those responding to God's call, we are raising our hearts and voices in praise and thanksgiving. We recognize our retirees and the incredible service they have given to keep our churches strong and our witness great. We recognize and celebrate with various awards, those who make special contributions to ministry in and through our Wisconsin Conference. We have preachers, teachers, and Bible study leaders who shift our focus to the future and to improving our ministry in significant ways.

And we have fellowship. Perhaps the greatest challenge and the most significant sense of loss is that we cannot gather in person, greeting one another face-to-face and sit around tables catching up and sharing our stories. We miss the laughter and the joy that comes when old and new friends spend time in the hallways and at mealtimes and in the free time each evening. But the fact that we cannot have this level of engagement this year simply makes us more aware how precious our covenant community really is. We are a source of joy for one another.

SOUL FOOD CONTINUED ON NEXT PAGE...

SOUL FOOD CONTINUED...

We have a special opportunity and celebration this year. Due to difficult scheduling, we are meeting together on Juneteenth. This is a significant historic memorial for the ending of slavery in the United States, and it stands symbolically for the sacred worth of each person. From our national shame comes resurrection and a deep commitment to radical inclusion and racial justice. For all who are not attending Annual Conference, I heartily recommend attending a Juneteenth celebration. For those of us leading our Wisconsin Conference, our day together of worshipful work is dedicated to the meaning and spirit of Juneteenth. Another reason for joy and celebration.

Meetings are meetings. They can be good and productive, they can be long and waste time, they can be confusing and complex, but they can also be a party. I am inviting you all to a party, celebrating the church of Jesus Christ called United Methodist. I am inviting you to enter into delight and thanksgiving for all the blessings of our ministry and mission together. I invite you to worship and singing, learning and listening, recognitions and remembrance, I am inviting you to the joy of Annual Conference, reminded of the words from scripture,

**Praise the Lord!
Sing to the Lord a new song,
his praise in the assembly of the faithful.
Let Israel be glad in its Maker;
let the children of Zion rejoice in their King.
Let them praise his name with dancing,
making melody to him with tambourine and lyre.
For the Lord takes pleasure in his people;
he adorns the humble with victory.
Let the faithful exult in glory;
let them sing for joy on their couches. (Psalm 149:1-5)**

NEW UPPER ST. CROIX PARISH

Worship **SCHEDULE**

The SPRC Committee met on June 24th to discuss in person worship services at each of the 3 churches in the Upper St. Croix Parish. It was decided that the schedule would be as follows:

8:30 am Central UMC in Grantsburg

9:45 am Atlas UMC in Atlas

11:15 am St. Croix Falls UMC in St Croix Falls

It was agreed not to rotate times in order to provide consistency. If the Pastor is running behind schedule the Liturgist at the church can begin the announcements and the service.

A quarterly all parish service (Joint service) will also start again on Aug 22nd.

We will again need volunteers for each service. Please see the sign-up sheets at each church and sign up if you are able to help. We love our volunteers!!

We look forward to opening the doors again at all the churches and welcoming all who come.

Introduction of Two Small Group Gatherings

We will be starting two new small group gatherings. The purpose of these gatherings is to help us build good relationships with God and with one another. This will help revitalize our faith and our church community. In addition, we will evolve in our faith as disciples of Jesus Christ, and contribute to our local community and the global world.

We will begin with two small groups, and later on, we hope to add additional groups. We will meet (gather) regularly (once a week or twice a month). Each group has a leader and an assistant leader (or secretary). Each leader and assistant has the responsibility to communicate with members, and prepare for each gathering. They will also work with Pastor Jenny. These two groups are open to everyone, and they welcome all! We will open our church to the community for these gatherings and plan to start the first week of August 2021.

1. Prayer Group (Breakthrough Prayer)

"This kind can come out only through prayer." (Mark 9:29)

It is an intercessory prayer group for the people, church, community, county and the world. The prayer group will learn about many styles of prayer, and will practice some of them. The prayer group will keep record and report as witnesses of the power of prayer.

2. Craft Group

"A certain woman named Lydia, a worshiper of God, was listening to us; she was from the city of Thyatira and a dealer in purple cloth. The Lord opened her heart to listen eagerly to what was said by Paul." (Acts 16:14)

This group will meet and craft together. Some of the potential projects are crocheting, knitting, handmade crafting, drawing, etc. We welcome everyone from beginners to those who are open to teaching others. The goal of the craft group is to get to build relationships with our church family and neighbors in the community, and to also contribute to a local community through fundraising and mission work.

If you are interested in either of these groups, please contact Pastor Jenny.
(Main Office: 715-463-2624, Cell: 773-793-7307, or Email: jennlee1732@gmail.com).

We look forward to gathering-God always shows up, we hope you do too.
