A STEWARDSHIP MESSAGE

A Little Jiggle
June 2025

David tells the story of a time he saw a car stalled at an intersection. The hood was up, and a young man waved him down for help. "I can't get it started," he said, "but if you jiggle the wire on the battery, I think it'll work."

David grabbed the positive battery cable—and it came off in his hand. The cable was clearly too loose." The terminal needs to be tightened," David told him. "I can fix it if you have some tools."

"My dad says to just jiggle the wire," the young man replied. "It always works. Why don't you just try that?"

David paused, sarcastically wondering why the young man's dad didn't ride around town with him, ready to jiggle the wire whenever needed. Then he said, "If I jiggle the wire, you're going to need someone to do it every time you shut the engine off. But if you give me two minutes and a wrench, we can solve the problem—and you can forget about it."

Reluctantly, the young man fumbled under the front seat, then handed David a crescent wrench through the window of the old car.

As David tightened the terminal, he thought about how many times he'd asked God for a "quick fix" in his own life. "I have this problem, Lord, and if you'll just jiggle the wire, things will be okay. I'm in a hurry—just get me going again as fast as possible."

But God doesn't want to just jiggle wires, does He?

God wants to take the time to deal with the real issue—to actually fix the problem. A lasting solution to the struggles in our lives requires full surrender and a willingness to move forward on God's terms. We must cooperate with God—whatever it takes, for as long as it takes.

As the young man drove away with his tightened terminal, David paused and asked the Lord to say "No" the next time he was tempted to ask for a quick fix.

“Planting Seeds in the Next Generation”

People were bringing little children to him in order that he might touch them, and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, “Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.” And he took them up in his arms, laid his hands on them, and blessed them.

Mark 10:13–16(NRSV)

You may be wondering if spring is really here. Well, not quite yet—it’s still cold! Maybe we’ll skip straight to summer, with June already around the corner.

What do you expect in June? As the month unfolds with longer days, warmer air, and the hum of summer beginning, many of us turn our attention to outdoor projects—planting gardens, mowing lawns, soaking in the sunshine. It’s a season when growth becomes visible. The earth reminds us that new life needs intention: seeds must be planted, watered, and nurtured before any fruit can be seen.

A few weeks ago, I was surprised to see something new in my garden. Plants I had forgotten about began to sprout and even blossom—despite the lingering cold. I was in awe. They were beautiful! I tried to remember what they were and when I had planted them. Then it came to me: I planted them two years ago, after getting them at Atlas UMC’s Easter sale. They had come in a small pot, and I transplanted them into my garden. I expected them to bloom the following spring—but they didn’t. I was disappointed and gave up on them.

But even though I gave up, God didn’t. Those little seeds endured underground, quietly surviving. God’s grace was still at work, even when I couldn’t see it. And now, finally, they have sprouted and blossomed.

In the same way, this season invites us to tend to something even more precious than tomatoes or tulips: the faith of the next generation.

This summer, as Vacation Bible School and special youth activities begin to appear on our calendars, we’re given a holy opportunity—to pass on the stories of our faith to our children and youth.

CONTINUED ON NEXT PAGE...

FROM THE PASTOR CONTINUED...

Some may wonder why we offer Vacation Bible School or youth programs. It might seem like a lot of effort and expense without much visible fruit. But like my garden, the seeds of faith we plant in children and youth may not show growth right away. Still, God's grace is there, working beneath the surface.

Remember, Jesus loves when children come to Him. In the Gospel of Mark, we read: "People were bringing little children to him in order that he might touch them, and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, 'Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs.'" (Mark 10:13–14)

Please don't be like the disciples who tried to block the children. Instead, be part of welcoming them. You can join in the children and youth ministry by volunteering at VBS or helping with the youth summer program.

This will be our third year offering Vacation Bible School. From past experience, we know how God works through it. Whether you volunteer during activities, donate supplies, offer your encouraging presence, or keep the event in prayer—your support matters.

Whether you're a parent, grandparent, mentor, neighbor, or simply someone willing to smile and say a kind word to a child on Sunday morning—you are part of this sacred task. A seed planted through a story shared at VBS, a whispered prayer, or a conversation while volunteering might not bear fruit overnight, but God is faithful. God brings the growth.

So, this June, I invite you to pray for our children and youth. Support their ministries. Show up when you can. Encourage those who work with them. And trust that even small seeds of kindness, scripture, and love can grow into strong, fruit-bearing trees of faith.

May this season be one of joy, hope, and planting—with eyes fixed on what God can do through every little seed we offer.

Blessings,
Pastor Jenny

Northern Illinois - Wisconsin
Episcopal Area
of The United Methodist Church

May 9, 2025

Dear Siblings in Christ of the Wisconsin Conference,

Greetings in the name and love of the Risen Christ!

On May 1, 2025, the Council of Bishops and the Connectional Table proudly unveiled a new vision for The United Methodist Church—a vision that reflects our deep commitment to embodying God's dream for the world. A world where every person encounters the transformative grace of Jesus Christ, where communities flourish, and where all creation is made whole.

*"The United Methodist Church forms disciples of Jesus Christ, who are empowered by the Holy Spirit, **love boldly, serve joyfully, and lead courageously** in local communities and worldwide connections."*

This renewed vision is more than words—it is an invitation to embrace joy and hope as we live God's mission. It also provides a clear, Christ-centered framework for missional unity and collaboration across the Northern Illinois-Wisconsin Episcopal Area and our worldwide connection.

Now, more than ever, the world needs to experience God's boundless love. We may soon see the most vulnerable struggle even more—how might this vision remind us how we can love practically? How might we demonstrate love greater than our differences?

What a wonderful statement to use as a mirror for decisions made at an administrative council, or as a budget is made. What a great tool for teaching: how is God calling your congregation to love boldly, serve joyfully, and lead courageously? Perhaps this is a moment you could be personally challenged by this vision. How might you live in this vision prayerfully?

We still have a mission to 'make disciples of Jesus Christ for the transformation of the world.' This new vision offers direction and challenge. I am grateful to be reminded that vision takes us into our communities and world to live the vision of Jesus with those God has given us to love.

Thank you for your faithfulness.

Peace,

Bishop Daniel W. Schwerin
Northern Illinois-Wisconsin Episcopal Area
